Index to Volume Twenty

SUBJECT INDEX

ACOUSTIC NEUROMA

Acoustic neuroma presenting as a middle ear mass (Otologic case of the month). Stoney PJ, Rutka J, Dolan E, Hawke M. 20:2, 141.

ALLERGY

Allergic and inflammatory aspects of chronic rhinosinusitis. Stevens HE. 20:6, 395.

ANATOMY

Surgical landmarks and resections for the safe performance of conservative endoscopic sinus surgery (CESS): how we do it. Woodham JD, Doyle PW. 20:6, 451.

ANESTHESIA

The safety and efficacy of Emla cream topical anesthesia for myringotomy and ventilation tube insertion. Bingham B, Hawke M, Halik J. 20:3, 193.

Evaluation of conscious sedation in facial plastic surgery. Ellis DAF, Gage CE. 20:3, 267.

Neurolept analgesia for ambulatory endoscopies. Bremang J. 20:6, 435.

AUDIOLOGY

Signal detection and speech perception with level-dependent hearing protectors. Abel SM, Krever EM, Giguere C, Alberti PW. 20:1, 46–53.

The cochlear implant: a comparison of single-channel and multichannel results. Doyle PJ, Pijl S, Noel F. 20:3, 204.

AUDIOMETER

The first audiometer: a Welsh connection (Snippet). Stoney P, Hawke M. 20:2, 144.

BRANCHIAL CLEFT CYST

The branchial cleft cyst (Imaging case of the month). Shankar L, Josephson R, Hawke M. 20:1, 62.

BRONCHOSCOPY

Pressure, flow and resistance characteristics of the pediatric Storz-Hopkins bronchoscopes. Keohane JD, Forte V, MacPherson B. 20:3, 155.

CANCER

Clinical features and management of distant metastases of nasopharyngeal carcinoma. Leung SF, Teo PML, Shiu WWT, Tsao SY, Leung TWT. 20:1, 27–29.

Clinical aspects of the posterior glottis: a review. McIlwain JC. 20:2, 74.

Unilateral multicentric Warthin's tumors. Zappia JJ, Sullivan MJ, McClatchey KD. 20:2, 93.

Laryngeal carcinoma associated with human papillomavirus type 16. McCullough DW, McNicol PJ. 20:2, 97.

Advances in the use of fine-needle aspiration cytology in the diagnosis of palpable lesions of the head and neck. Lampe HB, Cramer HM. 20:2, 108.

Growth characteristics of human laryngeal carcinoma of athymic mice. Robbins KT, Rosenberg W, Weiss B, Varki NM. 20:2, 117.

The role of gene amplification in clinical resistance to chemotherapy: a review. Ferguson PJ. 20:2, 130.

Dose-dependent inner ear changes after I.V. administration of cisplatin. Laurell G, Bagger-Sjoback D. 20:3, 158.

Radiological features of glomus tympanicum and glomus jugulare (Imaging case of the month). Probst LE, Shankar L, Hawke M. 20:3, 225.

Kaposi's sarcoma of the intra-parotid lymph nodes in AIDS. Mongiardo FD, Tewfik TL. 20:4, 243.

Acinic cell carcinoma of the parotid gland: review and management. Spafford PD, Mintz DR, Hay J. 20:4, 262.

Head and neck cancer localization with indium labelled carcinoembryonic antigen: a pilot project. Timon CI, McShane, D, Hamilton D, Walsh MA. 20:4, 283.

The CT appearance of cricoid chondrosarcoma (Imaging case of the month). Shankar L, Hawke M. 20:4, 297.

Blood transfusions and phenotypic immune profile in head and neck cancer. MacRae JD, Lampe H, Banerjee D. 20:5, 310.

Leiomyosarcoma of the larynx. Chen JM, Novick WH, Logan CA. 20:5, 345.

Nasopharyngeal teratoma as a respiratory emergency in the neonate. Candan S, Yildiz K. Mizrak S, Muhtar H. 20:5, 349.

Aneurysmal bone cyst of the mandible. Kim J, Tewfik TL, Head T. 20:5, 360.

The posterior glottis. McIlwain JC. Supplement No. 2 June 1991.

CARCINOMA

Laryngeal carcinoma associated with human papillomavirus type 16. McCullough DW, McNicol PJ. 20:2, 97.

Growth characteristics of human laryngeal carcinoma in athymic mice. Robbins KT, Rosenberg W, Weiss B, Varki NM. 20:2, 117.

CHEMOTHERAPY

The role of gene amplification in clinical resistance to chemotherapy: a review. Ferguson PJ. 20:2, 130.

Dose-dependent inner ear changes after I.V. administration of cisplatin. Laurell G, Bagger-Sjoback D. 20:3, 158.

CHOANAL ATRESIA

Bilateral congenital choanal atresia at age 16: an interesting case. Candan S, Mizrak S, Karagoz M, Muhtar H, Gumele HR. 20:6, 433.

CHOLESTEATOMA

Ossicular erosion by cholesteatoma: investigation by scanning electron microscopy utilizing a new preparation technique. Wong J, Stoney P, Hawke M. 20:3, 216.

The motility of keratinocytes in cholesteatoma: an ultrastructural approach to epithelial migration. Robinson AC, Hawke M. 20:5, 353.

COCHLEAR IMPLANT

The cochlear implant: a comparison of single-channel and multichannel results. Doyle PJ, Pijl S, Noel F. 20:3, 204.

COMPLICATIONS

CNS complications of ear, nose and throat infections: an analysis of 50 consecutive cases. Kraus M, Tovi F. 20:5, 329.

COSMETIC SURGERY

The cephalic view in nasal photography: how we do it. LaNasa J, Smith O, Johnson CM Jr. 20:6, 443.

CYTOLOGY

Advances in the use of fine-needle aspiration cytology in the diagnosis of palpable lesions of the head and neck. Lampe HB, Cramer HM. 20:2, 108.

EAR

Epithelial migration in the external auditory canal and the movement of the chondro-osseous junction. Cecire AA, Gibson WPR. 20:1, 30–32.

Cholesteatoma in children. Schloss MD, Terrazza O. 20:1, 43–45.

Cerumen: An etymological and historical snippet. Bingham B, Hawke M. 20:1, 65.

Living and dying with ear infection (Snippet). McEwan SC. 20:4, 299.

EARWAX

The organic composition of earwax. Okuda I, Bingham B, Stoney P, Hawke M. 20:3, 212.

EPISTAXIS

Endoscopic management of severe epistaxis: how we do it. Bingham B, Dingle AF. 20:6, 442.

EUSTACHIAN TUBE

Hairy polyp of the Eustachian tube. Nicklaus PJ, Forte V, Thorner PS. 20:4, 254.

EDITORIALS

Signing on. Hawke M. 20:1, 1.

A dedication to residents. Frenkiel S. 20:2, 73.

Should otolaryngology be on the endangered species list? Ruby RRF. 20:3, 153.

Otolaryngological manpower in Canada in the year 2000. Ruby RRF. 20:5, 305.

Special issue on sinusitis. Woodham JD, 20:6, 375.

EXTERNAL EAR CANAL

Epithelial migration in the external auditory canal and the movement of the chondro-osseous junction. Cecire AA, Gibson WPR. 20:1, 30–32.

Polyp of the external ear canal arising from the temporomandibular joint: a case report. Cecire AA, Austin BW, Ng PK. 20:3, 168.

Sequelae of experimental tympanic and inferior canal wall perforations: the double meaning of epithelial migration. Smelt G, Stoney P, Weinberger J, Hawke M. 20:3, 171.

Persistence of the foramen of Huschke in the adult: an osteological study. Wang R-G, Bingham B, Hawke M, Kwok P, Li J-R. 20:4, 251.

FACIAL PLASTIC SURGERY

Reprint from *Ontario Medicine: Facial plastic surgery-otolaryngology responds to Sullivan inquest findings.* Adamson P. 20:1, 2–4.

Evaluation of conscious sedation in facial plastic surgery. Ellis DAF, Gage CE. 20;4, 267.

Resolution of obstructive sleep apnea following facial surgery. Metes A, Direnfeld V, Haight JSJ, Hoffstein V. 20:5, 342.

FINE-NEEDLE ASPIRATION CYTOLOGY

Advances in the use of fine-needle aspiration cytology in the diagnosis of palpable lesions of the head and neck. Lampe HB, Cramer HM. 20:2, 108.

GENE AMPLIFICATION

The role of gene amplification in clinical resistance to chemotherapy: a review. Ferguson PJ. 20:2, 130.

HEAD AND NECK

Post-parotidectomy fistula. Wax M, Tarshis LM. 20:1, 10–13.

Ambulatory adult tonsillectomy. Wagner GA. 20:1, 33–34.

Daycare tonsillectomy and/or adenoidectomy at the British Columbia Children's Hospital. Riding K, Laird B, O'Connor G, Goodell A-S, Bitts B, Salkeld L. 20:1, 35–42.

Fatal necrotizing mediastinitis secondary to acute suppurative parotitis. Guardia SN, Cameron R, Phillips A. 20:1, 54–56.

Percutaneous tracheostomy: ready or not? Pelausa EO. 20:2, 88.

Unilateral multicentric Warthin's tumors. Zappia JJ, Sullivan MJ, McClatchey KD. 20:2, 93.

A-O plate mandibular reconstruction: a complication critique. Davidson J, Birt BD, Gruss J. 20:2, 104.

Advances in the use of fine-needle aspiration cytology in the diagnosis of palpable lesions of the head and neck. Lampe HB, Cramer HM. 20:2, 108.

A submandibular sialolith of unusual size: a case report. Akin I, Esmer N. 20:2, 123.

Recurrent acute suppurative thyroiditis. Skuza K, Rapaport R, Fieldman R, Goldstein S, Marquis J. 20:2, 126.

Kaposi's sarcoma of the intra-parotid lymph nodes in AIDS. Mongiardo FD, Tewfik TL. 20:4, 243.

The use of fibrin tissue glue in thyroid surgery: resource utilization implications. Matthews TW, Briant TDR. 20:4, 276.

Head and neck cancer localization with indium labelled carcinoembryonic antigen: a pilot project. Timon CI, McShane D, Hamilton D, Walsh MA. 20:4, 283.

Blood transfusions and phenotypic immune profile in head and neck cancer. MacRae JD, Lampe H, Banerjee D. 20:5, 310.

Iatrogenic subcutaneous cervicofacial and mediastinal emphysema. Rossiter JL, Hendrix RA. 20:5, 315.

L'expansion du territoire vasculaire: une technique chirurgicale pour augmenter la survie d'un modèle amimal de lambeau musculocutané. Dorion D, Boyd JB. 20:5, 320.

The role of diagnostic arthroscopy in the management of temporomandibular joint dysfunction. Kryshtalskyj B. 20:5, 325.

Aneurysmal bone cyst of the mandible. Kim J, Tewfik TL, Head T. 20:5, 360.

Histoacryl glue in microvascular surgery. Middleton WG, Matthews W, Chiasson DA. 20:5, 363.

HEARING LOSS

The cochlear implant: a comparison of single-channel and multichannel results. Doyle PJ, Pijl S, Noel F. 20:3, 204.

The large vestibular aqueduct syndrome and sensorineural hearing loss in the pediatric population. Arcand P, Desrosiers M, Dube J, Abela A. 20:4, 247.

Is there a relationship between presbycusis and hyperlipoproteinemia?: a literature review. Ray J. 20:5, 336.

HEARING PROTECTION

Signal detection and speech perception with level-dependent hearing protectors. Abel SM, Krever EM, Giguere C, Alberti PW. 20:1, 46–53.

HEMATOLOGY

Blood transfusions and phenotypic immune profile in head and neck cancer. MacRae JD, Lampe H, Banerjee D. 20:5, 310.

HUMAN PAPILLOMAVIRUS

Laryngeal carcinoma associated with human papillomavirus type 16. McCullough DW, McNicol PJ. 20:2, 97.

IMAGING CASE OF THE MONTH

The branchial cleft cyst. Shankar L, Josephson R, Hawke M. 20:1, 62.

The radiologic diagnosis of internal jugular vein thrombosis. Shankar L, Hawke M, Mehta MH. 20:2, 138.

Radiological features of glomus tympanicum and glomus jugulare. Probst LE, Shankar L, Hawke M. 20:3, 225.

The CT appearance of cricoid chondrosarcoma. Shankar L, Hawke M. 20:4, 297.

IMMUNOLOGY

Immunologic aspects of chronic sinusitis. Lund V, Scadding GK. 20:6, 379.

INFECTIOUS DISEASES

Kaposi's sarcoma of the intra-parotid lymph nodes in AIDS. Mongiardo FD, Tewfik TL, 20:4, 243.

INNER EAR

Autoimmune inner ear disease: a review of basic mechanisms and clinical correlates. Ruckenstein MJ, Harrison RV. 20:3, 196.

INTERNAL JUGULAR VEIN THROMBOSIS

The radiologic diagnosis of internal jugular vein thrombosis (Imaging case of the month). Shankar L, Hawke M, Mehta MH. 20:2, 138.

LARYNGEAL EXAMINATION

Laryngeal examination: a comparison of mirror examination with a rigid lens system. Barker M, Dort JC. 20:2, 100.

LARYNX

Clinical aspects of the posterior glottis: a review. McIlwain JC. 20:2, 74.

Laryngeal carcinoma associated with human papillomavirus type 16. McCullough DW, McNicol PJ. 20:2, 97.

Laryngeal examination: a comparison of mirror examination with a rigid lens system. Barker M, Dort JC. 20:2, 100.

The CT appearance of cricoid chondrosarcoma (Imaging case of the month). Shankar L, Hawke M. 20:4, 297.

Leiomyosarcoma of the larynx. Chen JM, Novick WH, Logan CA. 20:5, 345.

The posterior glottis. McIlwain JC. Supplement No. 2 June 1991.

MANDIBLE

Aneurysmal bone cyst of the mandible. Kim J, Tewfik TL, Head T. 20:5, 360.

MANDIBULAR RECONSTRUCTION

A-O plate mandibular reconstruction: a complication critique. Davidson J, Birt BD, Gruss J. 20:2, 104.

MASTOID

Osteoma of the mastoid bone (Otology case of the month). Probst LE, Shankar L, Fox R. 20:3, 228.

MICROBIOLOGY

Laryngeal carcinoma associated with human papillomavirus type 16. McCullough DW, McNicol PJ. 20:2, 97.

Experimental sinusitis in rabbits induced by aerobic and anaerobic bacteria: models for research in sinusitis. Stierna P, Kumlien J, Carlsoo B. 20:6, 376.

Microbiology and histopathology of chronic ethmoiditis. Doyle PW, Woodham JD. 20:6, 445.

Infections of the infratemporal fossa: imaging/clinical correlations. Tovi F, Hertzanu Y, Noyek AM. Supplement No. 3 October 1991.

MIDDLE EAR

Ossicular erosion by cholesteatoma: investigation by scanning electron microscopy utilizing a new preparation technique. Wong J, Stoney P, Hawke M. 20:3, 216.

MILITARY MEDICINE

Otolaryngology-head and neck surgery in the Canadian military: practice trends. Pelausa EO, Marsden P. 20:1, 19–26.

MISCELLANEOUS

Otolaryngology-head and neck surgery in the Canadian military: practice trends. Pelausa EO, Marsden P. 20:1, 19–26.

Should otolaryngology be on the endangered species list? Ruby RRF. 20:3, 153.

Anti-neutrophil cytoplasmic antibodies (ANCA): a seromarker for Wegener's granulomatosis. Turner A. 20:4, 274.

Otolaryngological manpower in Canada in the year 2000. Ruby RRF. 20:5, 305.

MUCOPOLYSACCHARIDOSES

The management of otolaryngological problems in the mucopolysaccharidoses: a retrospective review. Ruckenstein MJ, MacDonald RE, Clarke JTR, Forte V. 20:3, 177.

NASAL PHYSIOLOGY

Snoring, apnea and nasal resistance in men and women. Metes A, Ohki M, Cole P, Haight JSJ, Hoffstein V. 20:1, 57–61.

NASAL POLYPS

Nasal polyposis: in search of a viral etiology using DNA hybridization. Kozak FK, Mahony JB, Chernesky M, Newhouse MT, Dolovich J, Hitch D, Rossman CM. 20:6, 404.

NASAL RECONSTRUCTION

The use of tissue expansion in nasal reconstruction: how we do it. Reifen E, Freeman JL. 20:1, 5–9.

NOSE

The use of tissue expansion in nasal reconstruction: how we do it. Reifen E, Freeman JL. 20:1, 5–9.

Analysis and correction of the crooked nose. Ellis DAF, Gilbert RW. 20:1, 14–18.

Snoring, apnea and nasal resistance in men and women. Metes A, Ohki M, Cole P, Haight JSJ, Hoffstein V. 20:1, 57–61.

Endoscopic photography: a historical vignette (Snippet). Stool SE. 20:5, 370.

Diagnosis of rhinoliths with rigid endoscopy. Stoney P, Bingham B, Okuda I, Hawke M. 20:6, 408.

The secondary middle turbinate. Khanobthamchai K, Shankar L, Hawke M, Bingham B. 20:6, 412.

Ethmomaxillary sinus and hypoplasia of maxillary sinus. Khanobthamchai K, Shankar L, Hawke M, Bingham B. 20:6, 425.

Computed tomographic findings in atrophic rhinitis. Pace-Balzan A, Shankar L, Hawke M. 20:6, 428.

Bilateral congenital choanal atresia at age 16: an interesting case. Candan S, Mizrak S, Karagoz M, Muhtar H, Gumele HR. 20:6, 433.

OTOLOGIC CASE OF THE MONTH

Acoustic neuroma presenting as a middle ear mass. Stoney PJ, Rutka J, Dolan E, Hawke M. 20:2, 141.

Osteoma of the mastoid bone. Probst LE, Shankar L, Fox R. 20:3, 228.

OTOLOGY

Polyp of the external ear canal arising from the temporomandibular joint: a case report. Cecire AA, Austin BW, Ng PK. 20:3, 168.

Sequelae of experimental tympanic and inferior canal wall perforations: the double meaning of epithelial migration. Smelt G, Stoney P, Weinberger J, Hawke M. 20:3, 171.

Translabyrinthine identification of the cochlear aqueduct: a helpful landmark during inferomedial temporal bone dissection. Rutka J, Nedzelski J. 20:3, 184.

The effect of glycerol on short-term experimental endolymphatic hydrops. Magliulo G, Rocca CD, Ungari C, Muscatello M. 20:3, 188.

The safety and efficacy of Emla cream topical anesthesia for myringotomy and ventilation tube insertion. Bingham B, Hawke M, Halik J. 20:3, 193.

Autoimmune inner ear disease: a review of basic mechanisms and clinical correlates. Ruckenstein MJ, Harrison RV. 20:3, 196.

The cochlear implant: a comparison of single-channel and multichannel results. Doyle PJ, Pijl S, Noel F. 20:3, 204.

CSF otorrhea complicating osteoradionecrosis of the temporal bone. Sikand A, Longridge N. 20:3, 209.

The organic composition of earwax. Okuda I, Bingham B, Stoney P, Hawke M. 20:3, 212.

Ossicular erosion by cholesteatoma: investigation by scanning electron microscopy utilizing a new preparation technique. Wong J, Stoney P, Hawke M. 20:3, 216.

Radiological features of glomus tympanicum and glomus jugulare (Imaging case of the month). Probst LE, Shankar L, Hawke M. 20:3, 225.

Osteoma of the mastoid bone (Otology case of the month). Probst LE, Shankar L, Fox R. 20:3, 228.

The large vestibular aqueduct syndrome and sensorineural hearing loss in the pediatric population. Arcand P, Desrosiers M, Dube J, Abela A. 20:4, 247.

Persistance of the foramen of Huschke in the adult: an osteological study. Wang R-G, Bingham B, Hawke M, Kwok P, Li J-R. 20:4, 251.

Hairy polyp of the Eustachian tube. Nicklaus PJ, Forte V, Thorner PS. 20:4, 254.

Otologic manifestations of pseudotumor cerebri. Murphy TP. 20:4, 258.

Is there a relationship between presbycusis and hyperlipoproteinemia?: a literature review. Ray J. 20:5, 336.

The motility of keratinocytes in cholesteatoma: an ultrastructural approach to epithelial migration. Robinson AC, Hawke M. 20:5, 353.

PAROTID

Post-parotidectomy fistula. Wax M, Tarshis LM. 20:1, 10–13.

Fatal necrotizing mediastinitis secondary to acute suppurative parotitis. Guardia SN, Cameron R, Phillips A. 20:1, 54–56.

Acinic cell carcinoma of the parotid gland: review and management. Spafford PD, Mintz DR, Hay J. 20:4, 262.

PATHOLOGY

Microbiology and histopathology of chronic ethmoiditis: how we do it. Doyle PW, Woodham JD. 20:6, 445.

PEDIATRIC

Cholesteatoma in children. Schloss MD, Terrazza O. 20:1, 43–45.

Pressure, flow and resistance characteristics of the pediatric Storz-Hopkins bronchoscopes. Keohane JD, Forte V, MacPherson B. 20:3, 155.

Changes in vocal resonance and nasalization following adenoidectomy in normal children: preliminary findings. Andreassen ML, Leeper HA, MacRae DL. 20:4, 237.

The large vestibular aqueduct syndrome and sensorineural hearing loss in the pediatric population. Arcand P, Desrosiers M, Dube J, Abela A. 20:4, 247.

Infection of Waldeyer's ring: value of pernasal retropharyngeal swabs. Timon CI, Cafferkey M, Walsh M. 20:4, 279.

Nasopharyngeal teratoma as a respiratory emergency in the neonate. Candan S, Yildiz K, Mizrak S, Muhtar H. 20:5, 349.

PERCUTANEOUS TRACHEOSTOMY

Percutaneous tracheostomy: ready or not? Pelausa EO. 20:2, 88.

PHOTOGRAPHY

The cephalic view in nasal photography: how we do it. LaNasa J, Smith O, Johnson CM Jr. 20:6, 443.

RADIOLOGY

The branchial cleft cyst (Imaging case of the month). Shankar L, Josephson R, Hawke M. 20:1, 62.

The radiologic diagnosis of internal jugular vein thrombosis (Imaging case of the month). Shankar L, Hawke M, Mehta MH. 20:2, 138.

The secondary middle turbinate. Khanobthamchai K, Shankar L, Hawke M, Bingham B. 20:6, 412.

Pitfalls in computed tomography of the paranasal sinuses. Bingham B, Shankar L, Hawke M. 20:6, 414.

Ostiomeatal complex risk factors for sinusitis: CT evaluation. Yousem DM, Kennedy DW, Rosenberg S. 20:6, 419.

Ethmomaxillary sinus and hypoplasia of maxillary sinus. Khanobthamchai K, Shankar L, Hawke M, Bingham B. 20:6, 425.

Computed tomographic findings in atrophic rhinitis. Pace-Balzan A, Shankar L, Hawke M. 20:6, 428.

Infections of the infratemporal fossa: imaging/clinical correlations. Tovi F, Hertzanu Y, Noyek AM. Supplement No. 3 October 1991.

RHINOPLASTY

Analysis and correction of the crooked nose. Ellis DAF, Gilbert RW. 20:1, 14–18.

The cephalic view in nasal photography: how we do it. LaNasa J, Smith O, Johnson CM Jr. 20:6, 443.

SALIVARY GLAND

Unilateral multicentric Warthin's tumors. Zappia JJ, Sullivan MJ, McClatchey KD. 20:2, 93.

A submandibular sialolith of unusual size: a case report. Akin I, Esmer N. 20:2, 123.

SINUSES

Ethmomaxillary sinus and hypoplasia of maxillary sinus. Khanobthamchai K, Shankar L, Hawke M, Bingham B. 20:6, 425.

SINUSITIS

Experimental sinusitis in rabbits induced by aerobic and anaerobic bacteria: models for research in sinusitis. Stierna P, Kumlien J, Carlsoo B. 20:6, 376.

Immunologic aspects of chronic sinsusitis. Lund V, Scadding GK. 20:6, 379.

Allergic and inflammatory aspects of chronic rhinosinusitis. Stevens HE. 20:6, 395.

Microbiology and histopathology of chronic ethmoiditis: how we do it. Doyle PW, Woodham JD. 20:6, 445.

Orbital complications of ethmoiditis: B.C. Children's Hospital experience 1982–1989. Samad I, Riding K. 20:6, 400.

Pitfalls in computed tomography of the paranasal sinuses. Bingham B, Shankar L, Hawke M. 20:6, 414.

Endoscopic diagnosis, medical treatment and a working classification for chronic sinusitis: how we do it. Woodham JD, Doyle PW. 20:6, 438.

SINUS SURGERY

The technique of endoscopic surgery and diagnosis of frontal recess and sinus disease under local anesthesia. Moriyama H. 20:6, 382.

Results of endoscopic surgery of the paranasal sinuses and anterior skull base. Wigand ME, Hosemann WG. 20:6, 385.

Classical intranasal ethmoidectomy: does the endoscope have a role? O'Halloran GL, Kern EB. 20:6, 391.

Ostiometal complex risk factors for sinusitis: CT evaluation. Yousem DM, Kennedy DW, Rosenberg S. 20:6, 419.

Neurolept analgesia for ambulatory endoscopies. Bremang J. 20:6, 435.

Endoscopic management of severe epistaxis: how we do it. Bingham B, Dingle AF. 20:6, 442.

Surgical landmarks and resections for the safe performance of conservative endoscopic sinus surgery: how we do it. Woodham JD, Doyle PW. 20:6, 451.

Conservative endoscopic sinus surgery performed from the TV monitor using the integrated Nagashima endoscopic sinonasal system: how we do it. Woodham JD, Doyle PW. 20:6, 448.

SLEEP APNEA

Snoring, apnea and nasal resistance in men and women. Metes A, Ohki M, Cole P, Haight JSJ, Hoffstein V. 20:1, 57–61.

Resolution of obstructive sleep apnea following facial surgery. Metes A. Direnfeld V, Haight JSJ, Hoffstein V. 20:5, 342.

SNIPPETS

Cerumen: an etymological and historical snippet. Bingham B, Hawke M. 20:1, 65.

The first audiometer: a Welsh connection. Stoney P, Hawke M. 20:2, 144.

Schliemann, Schwartze, Virchow and the unusual Christmas present. Stoney P, MacKay A, Hawke M, 20:3, 231.

Living and dying with ear infection. McEwan SC. 20:4, 299.

Endoscopic photography: a historical vignette. Stool SE. 20:5, 370.

The antrum of Highmore or of da Vinci? Stoney P, MacKay A, Hawke M. 20:6, 456.

SNORING

Snoring, apnea and nasal resistance in men and women. Metes A, Ohki M, Cole P, Haight JSJ, Hoffstein V. 20:1, 57–61.

SUBMANDIBULAR SIALOLITH

A submandibular sialolith of unusual size: a case report. Akin I, Esmer N. 20:2, 123.

SUPPLEMENTS

Canadian Society of Otolaryngology-Head and Neck Surgery Meeting Program. Supplement No. 1 May 1991.

The posterior glottis. McIlwain JC. Supplement No. 2 June 1991.

Infections of the infratemporal fossa: imaging/clinical correlations. Tovi F, Hertzanu Y, Noyek AM. Supplement No. 3 October 1991.

TEMPORAL BONE

CSF otorrhea complicating osteoradionecrosis of the temporal bone. Sikand A, Longridge N, 20:3, 209.

TEMPOROMANDIBULAR JOINT

Polyp of the external ear canal arising from the temporomandibular joint: a case report. Cecire AA, Austin BW, Ng PK. 20:3, 168.

The role of diagnostic arthroscopy in the management of temporomandibular joint dysfunction. Kryshtalskyj B. 20:5, 325.

THYROIDITIS

Recurrent acute suppurative thyroiditis. Skuza K, Rapaport R, Fieldman R, Goldstein S, Marquis J. 20:2, 126.

The use of fibrin tissue glue in thyroid surgery: resource utilization implications. Matthews TW, Briant TDR. 20:4, 276.

TONSILLECTOMY

Ambulatory adult tonsillectomy. Wagner GA. 20:1, 33–34.

Daycare tonsillectomy and/or adenoidectomy at the British Columbia Children's Hospital. Riding K, Laird B, O'Connor G, Goodell A-S, Bitts B, Salkeld L. 20:1, 35–42.

TRACHEOSTOMY

Percutaneous tracheostomy: ready or not? Pelausa EO. 20:2, 88.

TYMPANIC MEMBRANE

The motility of keratinocytes in cholesteatoma: an ultrastructural approach to epithelial migration. Robinson AC, Hawke M. 20:5, 353.

VOICE

Changes in vocal resonance and nasalization following adenoidectomy in normal children: preliminary findings. Andreassen ML, Leeper HA, MacRae DL. 20:4, 237.

WARTHIN'S TUMORS

Unilateral multicentric Warthin's tumors. Zappia JJ, Sullivan MJ, McClatchey KD. 20:2, 93.

WEGENER'S GRANULOMATOSIS

Anti-neutrophil cytoplasmic antibodies (ANCA): a seromarker for Wegener's granulomatosis. Turner A. 20:4, 274.

Compliments of the Season to our advertisers

On behalf of the Canadian Society of Otolaryngology — Head and Neck Surgery we take this opportunity to extend the Season's Greetings to our advertisers and to thank them for their support of *The Journal of Otolaryngology* during 1991:

Abbott Laboratories Ltd.

All Star Sales & Service

Astra Pharmatek

Boehringer Ingelheim (Canada) Ltd.

Boston Medical Products Inc.

Burroughs Wellcome Inc.

Carsen Medical & Scientific Co. Ltd.

Ciba Geigy Canada Ltd.

Electro-Medical Instrument Co.

Glaxo Laboratories

Janssen Pharmaceutica Inc.

Lederle-Cyanamid Canada Inc.

Leica Canada Ltd.

Eli Lilly Canada Inc.

Nicolet Instrument Canada Inc.

Norwich-Eaton Pharmaceuticals Inc.

Parke-Davis Canada Inc.

Pfizer Canada Inc.

Roussel Canada Inc.

SmithKline Beecham Pharma Inc.

Solvay Kingswood Inc.

Syntex Inc.

ALPHABETIC LISTING BY AUTHOR

Abel SM, Krever EM, Giguere C, Alberti PW. *Signal detection and speech perception with level-dependent hearing protectors.* 20:1, 46–53.

Abela A. See Arcand P, Desrosiers M, Dube J, Abela A.

Adamson PA. Reprint from *Ontario Medicine: Facial plastic surgery-otolaryngology responds to Sullivan inquest findings.* 20:1, 2–4.

Akin I, Esmer N. *A submandibular sialolith of unusual size: a case report.* 20:2, 123–5.

Alberti PW. See Abel SM, Krever EM, Giguere C, Alberti PW.

Andreassen ML, Leeper HA, MacRae DL. *Changes in vocal resonance and nasalization following adenoidectomy in normal children: preliminary findings.* 20:4, 237.

Arcand P, Desrosiers M, Dube J, Abela A. *The large vestibular aqueduct syndrome and sensorineural hearing loss in the pediatric population.* 20:4, 247.

Austin BW. See Cecire AA, Austin BW, Ng PK.

Bagger-Sjoback D. See Laurell G, Bagger-Sjoback D.

Banerjee D. See MacRae JD, Lampe H, Banerjee D.

Barker M, Dort JC. *Laryngeal examination: a comparison of mirror examination with a rigid lens system.* 20:2, 100–3.

Bingham B, Hawke M. *Cerumen: an etymological and historical snippet.* 20:1, 65.

Bingham B, Hawke M, Halik J. *The safety and efficacy of Emla cream topical anesthesia for myringotomy and ventilation tube insertion.* 20:3, 193.

Bingham B. See Okuda I, Bingham B, Stoney P, Hawke M.

Bingham B. See Wang R-G, Bingham B, Hawke M, Kwok P, Li J-R.

Bingham B. See Stoney P, Bingham B, Okuda I, Hawke M.

Bingham B. See Khanobthamchai K, Shankar L, Hawke M, Bingham B.

Bingham B, Shankar L, Hawke M. *Pitfalls in computed tomography of the paranasal sinuses.* 20:6, 414.

Bingham B. See Khanobthamchai K, Shankar L, Hawke M, Bingham B.

Bingham B, Dingle AF. *Endoscopic management of severe epistaxis: how we do it.* 20:6, 442.

Birt BD. See Davidson J, Birt BD, Gruss J.

Bitts B. See Riding K, Laird B, O'Connor G, Goodell A-S, Bitts B, Salkeld L.

Boyd JB. See Dorion D, Boyd JB.

Bremang J. *Neurolept-analgesia for ambulatory endoscopies.* 20:6, 435.

Briant TDR. See Matthews TW, Briant TDR.

Cafferkey M. See Timon CI, Cafferkey M, Walsh M.

Cameron R. See Guardia SN, Cameron R, Phillips A.

Candan S, Yildiz K, Mizrak S, Muhtar H. *Nasopharyngeal teratoma as a respiratory emergency in the neonate.* 20:5, 349.

Candan S, Mizrak S, Karagoz M, Muhtar H, Gumele HR. *Bilateral congenital choanal atresia at age 16: an interesting case.* 20:6, 433.

Carlsoo B. See Stierna P, Kumlien J, Carlsoo B.

Cecire AA, Gibson WPR. *Epithelial migration in the external auditory canal and the movement of the chondro-osseous junction.* 20:1, 30–2.

Cecire AA, Austin BW, Ng PK. *Polyp of the external ear canal arising from the temporomandibular joint: a case report.* 20:3, 168.

Chen JM, Novick WH, Logan CA. *Leiomyosarcoma of the larynx.* 20:5, 345.

Chernesky M. See Kozak FK, Mahony JB, Chernesky M, Newhouse MT, Dolovich J, Hitch D, Rossman CM.

Chiasson DA. See Middleton WG, Matthews W, Chiasson DA.

Clarke JTR. See Ruckenstein MJ, MacDonald RE, Clarke JTR, Forte V.
